

Empowering Veterans, Minority Businesses, and Agricultural Operators with Accelerated Capital Solutions

Date: September 10, 2026

Subject: Strategic Partnership & Fast-Track Business Financing Collaboration (\$500 Referral Program)

Dear Partner and Community Leader,

Across Florida, our dedicated veteran entrepreneurs, minority business owners, and agricultural operators (farmers, ranchers, and rural cooperatives) face severe capital bottlenecks. Due to delayed or insufficient federal relief, countless operators are struggling to secure the working capital necessary to maintain operations, purchase inventory, and sustain growth through current economic challenges.

Through **ALIVE (America Loves Its Veterans Everyday)**, we are stepping directly into this gap to deliver real solutions. We have established an exclusive private lending partnership capable of providing traditional and alternative business financing within **2 to 3 business days**.

Bridging the Financial Gap-Credit Scores 500 – 780

Traditional banking structures often lock out hardworking operators with rigid criteria. Our program is uniquely engineered to serve a broad credit spectrum:

- **Prime Borrowers (680 – 780 Scores):** Access traditional bank-backed commercial loans and lines of credit with **no tax documents or income proof required**, processed in 1 to 3 days.

- **Alternative Borrowers (500 – 680 Scores):** Access flexible alternative financing, revenue-based funding, and credit optimization pathways designed to get businesses funded quickly while rebuilding profiles.

The \$500 Referral Incentive Program

To ensure wealth circulates directly within our community, we are offering a **\$500 cash referral fee** to our trusted partners and network leaders for every business owner or agricultural operator you refer who successfully secures funding.

Simple 3-Step Process:

1. Identify an operator or veteran entrepreneur needing capital.
2. Send us three simple details: **Client Name, Phone Number, and Funding Amount Needed.**
3. Once their deal closes and funds, your **\$500 referral fee** is paid out promptly.

By combining your esteemed local network with our fast-track funding engine, we can stabilize hundreds of businesses and farms right here in Florida. Let's work together to make an immediate impact today.

Warm regards,

Karla Lorraine Wooten
